1834 INVESTMENTS LIMITED
NOTES TO THE CONSOLIDATED INTERIM FINANCIAL STATEMENTS
(UNAUDITED)
THREE (3) MONTHS ENDED JUNE 30, 2021

1. IDENTIFICATION AND PRINCIPAL ACTIVITIES

1834 Investments Limited, formerly The Gleaner Company Limited (“company”), is incorporated under the laws of, and is domiciled in Jamaica. The company is listed on the Jamaica Stock Exchange and has its registered office at 7 North Street, Kingston.

These consolidated interim financial statements comprise the company and the company's interest in associate (together referred to as the 'group').

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Statement of compliance

The interim financial statements have been prepared under the historical cost basis, as modified by the revaluation of certain fixed and financial assets and are expressed in Jamaican dollars.

These financial statements have been prepared in accordance with International Accounting Standards 34, *Interim Financial Reporting*.

The interim financial report is to be read in conjunction with the audited financial statements for the year ended March 31, 2021. The explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the group since the financial year ended March 31, 2021.

The significant accounting policies adopted are consistent with those of the audited financial statements for the year ended March 31, 2021.

(b) Use of judgements and estimates

The preparation of financial statements in conformity with International Financial Reporting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period.

Actual results could differ from these estimates and any adjustments that may be necessary would be reflected in the year in which actual results are known.

(c) Consolidation

(i) Subsidiaries

A subsidiary is an enterprise controlled by the group. Control exists when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date control commences until the date the control ceases.

(ii) Transactions eliminated on consolidation

Intra-group balances and any unrealised gain and losses or income and expenses arising from intra-group transactions are eliminated in preparing the consolidating financial statements.

Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

NOTES TO THE CONSOLIDATED INTERIM FINANCIAL STATEMENTS
(UNAUDITED)
THREE (3) MONTHS ENDED JUNE 30, 2021

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(d) Foreign currencies

The financial statements are presented in the currency of the primary economic environment in which the company operates (its functional currency).

In preparing the financial statements of the company, transactions in currencies other than the company's functional currency, the Jamaican dollar, are recorded at the rates of exchange prevailing on the dates of the transactions. At each reporting date, monetary items denominated in foreign currencies are retranslated at the rates prevailing on the statement of financial position date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items and on the retranslation of monetary items, are included in the statement of comprehensive income for the period.

(e) Segment reporting

The group has one reportable segment which is investment. The identification of business segments is based on the group's management and internal reporting structure. Segment results, assets and liabilities include items directly attributable to this segment.

Performance is measured on segment profit before taxation as included in the internal management reports that are reviewed by the Board of Directors. Segment profit before taxation is used to measure performance as management believes that such information is the most relevant in evaluating the results of the segment relative to other entities that operate within these industries.

- 3.** The group financial statements for the three months ended June 30, 2021 shows a profit from operations before taxation of approximately \$15 million (2020: \$9 million).
- 4.** In comparing the financial statements for the three months period ended June 30, 2021 with those of the comparative period, the following should be noted:
- (a) Operating income of \$7 million (2020: \$5 million) represents investment income, rental income and interest on loans.
 - (b) Other gains of \$12 million (2020: \$24 million) mainly comprises gains on the revaluation of foreign currency assets and investment revaluation.
